Care Community

Discover why this could be your best move yet

At Northcote Mews Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Conveniently located just 20 minutes from Melbourne's CBD, Northcote Mews is a charming Care Community that exudes warmth and character.

Our popular café features Victorian architectural elements that honour the original building, including stained-glass windows and ornate ceilings. It opens out into our courtyard and garden, blooming with colour in the warmer months and ideal for alfresco dining.

At Northcote Mews we offer an indoor-outdoor lifestyle – play a game of croquet among the roses, enjoy social activities in our spacious lounge, or settle in by the warmth of our fireplace. Our hairdressing salon is popular for a pamper, and we also have a multi-media room and private dining area.

We support you to develop connections and friendships with others who share similar interests, and loved ones are always welcome.

Northcote Mews Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
