Care Community

Discover why this could be your best move yet

At Oakleigh Manor Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Warm, friendly and inviting, Oakleigh Manor is a modern Care Community conveniently located in suburban Oakleigh, which is known for its strong Greek cultural influence.

Our boutique Care Community offers an intimate environment for you to make new friends and be part of an inclusive community. Relax in our cosy lounges or invite family and friends to catch up at our café.

Created with your comfort in mind, Oakleigh Manor Care Community features a well-stocked library, private dining room and hairdressing salon. Our lighting, quality furniture and aesthetic décor has been thoughtfully curated so that you feel at home.

We support you to develop connections and friendships with others who share similar interests..

Oakleigh Manor Care Community is an environment where you're free to enjoy doing things that are meaningful to you, independently or with others, continue to learn and try new things, and participate – so you can enjoy each day, your way.

Our purpose is to *bring joy to those we care for.*
