Care Community

Discover why this could be your best move yet

At Preston Hilltop Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Surrounded by greenery and with sweeping views to the CBD, Preston Hilltop is a charming Care Community you'll be proud to call home.

Our 19th Century heritage building features a beautiful facade with a classic lattice-work balcony. Indoors, our marble fireplaces and ornate crown mouldings create a sense of sophistication and warmth.

Preston Hilltop is a cleverly designed blend of the old and new worlds, with a modern extension that offers contemporary bedrooms and living areas.

Play a game of pool in our activity room, enjoy your favourite entertainment in our multimedia room, or host loved ones in our private dining room. Or if you prefer the outdoors, our landscaped courtyards offer tranquil spaces to relax or socialise.

We support you to develop connections and friendships with others who share similar interests, and loved ones are always welcome.

Preston Hilltop Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
