Care Community

Discover why this could be your best move yet

At Vermont Views Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Vermont Views is a beautiful and modern Care Community conveniently located close to shopping and restaurants in Vermont South.

Our state-of-the-art Care Community features spectacular, light-filled areas across four floors, each with their own dining and lounge rooms.

Our many terraces, balconies and courtyards create an indoor-outdoor living environment all year round. Our Memory Care Neighbourhood is designed especially for people living with dementia.

Our bedrooms at Vermont Views Care Community are spacious, and many boast views of neighbouring suburbs or the Dandenong Ranges. For those who would like more space and independence, we also have apartment suites, complete with your own lounge room and a convenient kitchenette.

We support you to develop connections and friendships with others who share similar interests.

Vermont Views Care Community is an environment where you're free to enjoy doing things that are meaningful to you, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for*.

Part of the  **Opal HealthCare** family
