THE PINNACLE OF RESIDENTIAL
AGED CARE WHERE AGEING IS LIVING

At Epping Grand Care Community, we understand that ageing means something different to everyone. We're here to provide the love, care and comfort that our residents and families need through all the stages of ageing, in a vibrant, connected and modern environment that celebrates living well.

Rising gracefully above Epping's lively town centre, Epping Grand Care Community is a new kind of residential aged Care Community for older Australians in Sydney's northwest - one that blends contemporary urban living with the warmth of true connection. Set within a unique precinct alongside a heritage-listed church and newly redeveloped primary school, it's a place where generations come together, and each day offers a sense of belonging and purpose. With shops, cafés, parks and public transport just moments away, our residents enjoy the best of city living with the peace of mind that professional, compassionate support is always close at hand.

From the design of our building to our clinical systems and expertise, hospitality services, and our focus on meaningful engagement for residents, we're here to support you to live with purpose and belonging each day. Our skilled and experienced aged care team undertake ongoing training and development, so we can deliver the high level of care and services that you expect.

Our newly built, architect-designed building spans six levels, providing a serene living environment for those who appreciate life's luxuries, complemented by curated artwork and interior design throughout. We offer a refined and light-filled living environment that feels warm and welcoming. Each bedroom includes a fully-tiled ensuite bathroom, elegant cabinetry and finishes, individual climate-controlled heating and cooling, and ample storage.

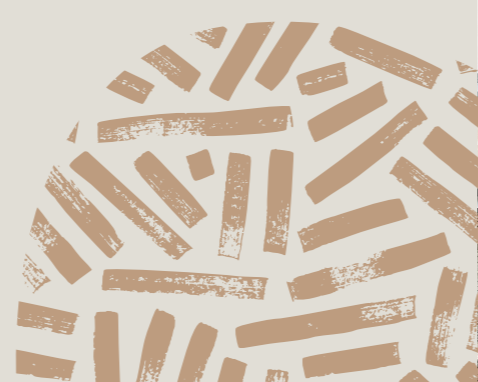

Our ground floor is the social heart of Epping Grand, where residents, families and friends come together over barista-style coffee and freshly baked treats at our Grand Central Café. Just steps away is Salon 10, our hair and beauty salon. It's a popular spot for indulging in friendly conversation and pampering so residents can look and feel their best.

On Levels 1-4, residents can unwind in our inviting lounges which open onto spacious terraces or explore the bookshelves in our library. Spend time with loved ones enjoying a barbeque at our sunny central courtyard or challenge a new friend on our putting green. Our physio-led Wellness Centre offers individualised exercise and reablement programs. And residents can get together to share a favourite recipe in our modern resident kitchens, designed to promote independence and socialisation.

Our beautifully presented, contemporary Care Community offers all the comforts of home in a refined environment, with high-quality personalised care designed around your needs and preferences.
