

Welcome to **Killara Glades** Care Community

Discover why this could be your best move yet

At Killara Glades Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Surrounded by eucalyptus trees overlooking the Garigal National Park, our friendly and welcoming Care Community is located in Sydney's leafy Upper North Shore. We're close to local shops and cafes, with the retail centre of Chatswood and major hospitals and health amenities within easy reach. Our well-appointed Care Community features generous lounge areas, and peaceful courtyards and gardens, ideal for spending time with loved ones, or moments of quiet reflection. We nurture close ties with the local community, including our neighbouring retirement village, and are known for our expert care and warm hospitality.

Daily life

We're pet-friendly people - visits from animals of all varieties bring delight and companionship to all. Our keen gardeners enjoy tending plants and growing herbs in raised garden beds, and our creative residents enjoy art, craft and musical pursuits. Known for our delicious food, our chef and residents choose weekly menus together so everyone can enjoy the food they love.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate - so you can enjoy your day, your way.
