Coburg North Villa
Care Community

Kind and compassionate care in a thriving community

At Coburg North Villa Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Set within a quiet residential pocket of Coburg North, our well-established and deeply connected Care Community is close to local shops, cafés and transport links.

With a strong Italian heritage, we offer a familiar, culturally rich environment, reflected in daily life, entertainment and our wellbeing program. Our team takes a personalised approach to care, recognising each resident's individual story and supporting you with warmth and respect so you feel genuinely at home.

With peaceful courtyards surrounded by gardens, fountains and greenery, we encourage residents to spend time outdoors enjoying nature. Indoors, our spacious lounges and activity areas are designed to enable socialisation and connection.

Our compassionate team supports you to develop friendships with others who share similar interests, and friends and family are always welcome.

Coburg North Villa Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to bring joy to those we care for.
