Care Community

Kind and compassionate care in a thriving community

At Mill Park Manor Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in Mill Park in Melbourne's north, we offer a modern and warm environment in a well-connected and established community, close to local shops, public transport and green spaces.

Designed for comfort and connection, our Care Community features spacious private bedrooms with ensuites, many overlooking landscaped courtyards filled with natural light. A small selection of interconnected rooms are available for couples, alongside inviting shared spaces, lounge rooms, quiet sitting areas and a private dining room for time with family and friends.

Our compassionate team supports you to develop connections and friendships with others who share similar interests, and friends and family are always welcome.

Outdoors, our thriving gardens, water features and barbecue spaces offer plenty of opportunities to relax, enjoy the fresh air and stay connected with loved ones.

Mill Park Manor Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
