

Welcome to **Diamond Creek** Care Community

Discover why this could be your best move yet

At Diamond Creek Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Nestled within the peaceful hills of Diamond Valley, Diamond Creek Care Community is located 23km north-east of Melbourne's CBD, and close to the local shops, cafes and train station.

We offer beautiful living spaces in a modern yet homelike environment with personalised care delivered by our experienced team. Our sunny courtyards and well-appointed lounge areas are designed for indoor and outdoor living, ideal for spending time with loved ones and enjoying the tranquil surroundings.
