

Clyde North Terrace

Care Community

Welcome to Clyde North Terrace Care Community

Set beneath the open skies of Clyde North, with district views stretching to the horizon, Clyde North Terrace Care Community offers a warm, welcoming environment nurtured by our dedicated team, providing high-quality and personalised care.

Custom-designed to optimise the living experience for older people, our Care Community features thoughtfully designed spaces where residents feel comfortable, connected and supported every day.

We provide accommodation for 160 residents over three levels. Each bedroom features a private ensuite and most have a balcony or direct access to courtyards to enjoy the outdoors from the convenience of your own bedroom.

Our high-quality residential aged care services include permanent, respite and dementia care, delivered by our experienced and compassionate team. With personalised support tailored to each resident's needs and preferences, our focus is on enabling each resident to live their best life.

Alfresco dining & courtyards

Designed to encourage connection and everyday enjoyment, our terraces and alfresco dining areas open onto landscaped courtyards. Residents can enjoy barbeques in the warmer months, or spending time outdoors, and there's plenty of room for children to play while visiting loved ones.

Wellness centre

Our physio-led Wellness Centre offers fee-for-service exercise and rehabilitation programs that complement and enhance standard care requirements for our residents. Programs are built around the resident's personal goals, helping to stay strong and confident to enjoy life – getting back into the garden, a stroll to the nearby shops or maintaining mobility. To find out more about these services, pop in for a chat with our friendly team.

The Nest Café

The Nest Café is a social hub, with indoor and outdoor seating where residents, friends and family can enjoy barista-style coffee and freshly baked treats – a daily ritual for residents who love a cuppa and a chat. Mornings here find their own rhythm – regulars at their favourite table and loved ones dropping in throughout the day.

Lifestyle amenities

There's always something to do at Clyde North Terrace. Our two Men's Sheds are for making, mending and good company, enabling a lifetime's habit of tinkering to carry on. Our hair salon, The Canopy, is popular for pampering so you can look and feel your best. Our green-thumbed residents can use our potting shed, nurture our herb and vegetable gardens, and harvest produce for our Chef to cook up.

Location & community

Conveniently located minutes from Levande Selandra Rise retirement living, Clyde North Terrace Care Community enables older people to continue to live well in their local area and maintain social connections with the right care at hand around the clock.
