

Welcome to **Canterbury Place** Care Community

Discover why this could be your best move yet

At Canterbury Place Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Our Care Community is located in a peaceful suburban street, with easy access to local shops, Campsie RSL and Belmore Sports Ground. We provide a happy and loving place for people from all walks of life, with tranquil gardens and courtyards ideal for enjoying visits from family and friends or quiet moments of reflection. Our diverse mix of cultural heritage is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging among residents.

Daily life

When the sun's out our green thumbs enjoy tending to our plants and being out in the garden. Sharing their cultural heritage through food is important to our residents, and our residents and chef choose our menus together. Our residents are actively engaged in their culture and have taught one another Mahjong and calligraphy, how to cook favourite recipes, prepare yum cha, and brew traditional Greek and Lebanese coffee.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
