Care Community

Kind and compassionate care in a thriving community

At Lidcombe Place Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled within the vibrant and culturally diverse suburb of Lidcombe in Sydney's west, our warm and close-knit Care Community is conveniently located close to local shops, restaurants, cafés and transport links.

Reflecting the rich multicultural fabric of the local area, we offer a familiar, welcoming environment where we take the time to understand our residents' diverse backgrounds and experiences. Our team takes a personalised approach to care, recognising each resident's individual story and supporting with warmth and respect.

Our spacious garden courtyard with comfortable outdoor seating is popular with residents who enjoy time in the fresh air, relaxing with family and friends, or participating in outdoor activities. Indoors, our inviting lounge rooms and sitting areas are ideal for connecting with friends old and new, enjoying hobbies and feeling at home.

Lidcombe Place Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for*.
