

Welcome to **Broadwater Grove** Care Community

Discover why this could be your best move yet

At Broadwater Grove Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in Southport on the heart of the Gold Coast, the Broadwater Parklands, local beaches and Australia Fair Shopping Centre are just minutes away. Our charming Care Community retains heritage features including lead light windows and timber fireplaces, within a modern facade. We have strong community ties, including an active intergenerational program with Griffith University, enjoyed by both the young and the young-at-heart; and our unique partnership with Thread Together gives residents access to brand new clothes of their choice.

Daily life

We encourage our residents to pursue their interests, whether it's arts and craft, spending time outdoors, or enjoying our Virtual and Augmented Reality experiences that support cognition and reminiscence. Nintendo Wii is a popular and healthy way for residents to stay active. Our menus are chosen together by our Chef and residents, and through our partnership with charity Thread Together, residents enjoy shopping either on-line or at an occasional pop-up clothing store, choosing brand new clothing items to refresh their wardrobe.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
