Ageing is living

Discover why this could be your best move yet

At Bayview Treetops Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Nestled among the natural bushland with ocean glimpses, we're located in the beautiful suburb of Bayview on Sydney's Northern Beaches, an hour from the city.

Our close-knit community will make you feel right at home. Residents enjoy stunning natural views, with peaceful spaces to spend time with family and friends, or have moments of quiet reflection.

Daily life

Our residents enjoy sweeping views across the treetops, watching wildlife in the surrounding bushland.

Our relaxing environment is perfect for arts and crafts, church services, music and concerts, and spending time in our library which offers large print books. Enjoy meals in the spacious dining room or in the beautiful outdoors in our covered courtyard.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
