

Welcome to **Carseldine Greens** Care Community

Discover why this could be your best move yet

At Carseldine Greens Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Just 30 minutes north of Brisbane CBD with easy access to the Gateway Motorway, our Care Community enjoys a leafy aspect in a quiet neighbourhood. Landscaped courtyards form the heart of each wing of our building and our shaded alfresco BBQ and dining area offer ample spaces to spend time with family and friends, or enjoy peaceful moments of reflection. Our café is popular with residents and families alike as is a social hub in our home. Our in-home wellness offers personalised reablement and restorative care programs.

Daily life

Our raised garden beds are popular with residents who enjoy cultivating colourful flowers, and those who like to spend time outdoors admiring our many different varieties of plants. We're a warm and inclusive community and there's always time for some friendly competition on our bocce lawn, while our creative residents participate in arts, craft or music.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Carseldine Greens life – so you can enjoy your day, your way.
