

# Welcome to **Auburn Glen** Care Community

## **Discover why this could be your best move yet**

At Auburn Glen Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located around the corner from Auburn Park and five minutes from the local shopping centre, we offer a loving environment where people from all walks of life are warmly welcomed. The cultural diversity of our residents and team provides a point of connection that makes our home special, and our companion model of care fosters a sense of family and belonging among residents. Our team members speak numerous different languages which helps residents from culturally and linguistically diverse backgrounds to feel at home and participate in things that they enjoy.

## Daily life

Our raised garden beds are popular with residents who enjoy cultivating colourful flowers, and those who like to spend time outdoors admiring the different varieties of plants. Others prefer to play cards and we have an active card group who meet daily for some friendly competition. Sharing their cultural heritage through the food is important to our residents, and our weekly menus are chosen together by our residents and chef.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
