

# Welcome to **Bossley Parkside** Care Community

## **Discover why this could be your best move yet**

At Bossley Parkside Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our home is set in a quiet residential area in the heart of Western Sydney, close to public transport and Stockland Wetherill Park Shopping Centre. With sunny gardens and shaded courtyards, our residents enjoy spending time outdoors walking, tending the garden and sharing time with others. Our diverse mix of cultural heritage is a point of connection for residents and team. We offer a warm and inclusive home where everyone is welcome.

## Daily life

Known for our multiculturalism among residents and team, our home is a diverse and vibrant environment. Residents enjoy recognising their heritage through their interests, be they musical, art or culinary preferences. Sharing cultural heritage through food is important to our residents, and our menus are chosen together by residents and our chef to reflect many corners of the world. Music therapy offers comfort and stimulation, and the birds in our outdoor aviary provide enjoyment for all.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
