

Welcome to **Calamvale Parklands** Care Community

Discover why this could be your best move yet

At Calamvale Parklands Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located less than 30 minutes south of Brisbane CBD, our home is nestled in a quiet residential street bordered by parkland. Attractively landscaped courtyards form the heart of each building and provide a wonderful location for socialising or quiet reflection. We have a strong volunteer community and our diverse mix of cultural heritage is a point of connection for our residents and team, who enjoy sharing and celebrating their cultures.

Daily life

Whether its walking through our bright tropical gardens, or relaxing in our shaded courtyards, there are plenty of ways to enjoy spending time outdoors. Our theatrette is popular with movie buffs for watching blockbusters or nostalgic films, and can be transformed into an entertainment venue for social gatherings. Our ladies group delight in brightening up our home with their beautiful handmade floral arrangements.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
