

Welcome to **Cameron Park** Care Community

Discover why this could be your best move yet

At Cameron Park Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our home enjoys the best of both worlds, being located in a quiet residential setting with the amenities of the Newcastle CBD within 20 minutes drive. Our home is a thriving community of people primarily from the Hunter region. Recently renovated, we have a mix of old world charm and modern styling, with a movie thetrette, shaded courtyards and a communal BBQ in our gardens for residents, friends and family to enjoy.

Ageing is living

Experience the Opal HealthCare difference at Cameron Park

Daily life

We are a family-oriented home with close ties to the local community, including the local childcare centre where we enjoy reciprocal visits with our young friends. We have an active group of residents who enjoy walking to the local supermarket and spending time outdoors in our gardens and courtyards. Our private dining room is a favourite spot for special occasions and family celebrations.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
