

Welcome to **Denhams Beach** Care Community

Discover why this could be your best move yet

At Denhams Beach Care Community we encourage our residents to live a life of meaning and purpose – that’s why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located on the beautiful NSW South Coast, our home enjoys a magnificent beachfront setting with breath taking ocean views. Residents enjoy spending time in our extensive gardens, exercising, soaking up the sun or watching whales from our terrace overlooking the beach. We have strong ties to the Batemans Bay community with many residents who are lifelong locals. We offer expert whole-of-person care and wellbeing in a welcoming, family focused environment.

Daily life

Our care community is a happy and loving place. Our men's group enjoy going on 4WD and fishing trips in the local area. Residents often put their green thumbs to work in our elevated gardens, nurturing our plants, or tending to our friendly chickens who occasionally provide eggs that our chef cooks up for breakfast. There's plenty to do with a well-stocked library, billiards table and board games, and our indoor and outdoor exercise sessions are always popular.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
