

Welcome to **Everard Park** Care Community

Discover why this could be your best move yet

At Everard Park Care Community we encourage our residents to live with meaning and purpose. That's why understanding the big and the little details about how you like to spend each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the leafy surrounds of inner south west Adelaide, our Care Community is nestled in a quiet residential street. All the amenities of the CBD are just seven minutes' drive away or catch the nearby tram straight into the heart of the city. Our Care Community is a happy and loving environment, with cosy gardens to stroll around and spacious indoor and outdoor living areas. Our coffee shop is ideal for spending time with family and friends or settling in with a good book from our library.

Daily life

We're known for our seasonal gardens, which delight residents and families and keep our green thumbs busy year-round.

We're a pet-friendly Care Community with our own chicken aviary which produces fresh eggs for our residents to eat. We enjoy close ties with the local community, and being co-located with Parkrose Village retirement living fosters a sense of family and belonging among residents.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Everard Park life – so you can enjoy your day, your way.
