

Welcome to **Katoomba Views** Care Community

Discover why this could be your best move yet

At Katoomba Views Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Set in a historic building dating back to 1911, our home retains the hospitality and homely environment of years gone by. Located in the beautiful World Heritage Blue Mountain, with delightful scenic views, we're within easy reach of local shops, cafes and amenities. With cosy lounges and covered courtyards, there are plenty of welcoming places to spend time with loved ones or enjoy quiet moments of reflection. Our companion model of care fosters a sense of family and belonging among residents.

Ageing is living

Experience the Opal HealthCare difference at Katoomba Views

Daily life

When the sun's out residents enjoy taking in the fresh mountain air in the garden and nurturing our plants. Our resident cat, Oscar, and our chickens bring delight and companionship, and often there's some friendly competition on the go over over billiards or board games. Creative activities are popular with residents, many of whom continue to be part of the arts and music scene in the Blue Mountains.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
