

Welcome to **Shoalhaven Place** Care Community

Discover why this could be your best move yet

At Shoalhaven Place Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in picturesque Bomaderry on the South Coast of NSW, our care community is a warm and loving place for people from all walks of life. The local shops and amenities are nearby and the Shoalhaven River and parklands within easy access. Peaceful and well-appointed indoor and outdoor living areas provide welcoming spaces for family and friends to connect. Our diverse mix of cultural heritage is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging among residents.

Daily life

Residents enjoy gardening and spending time outdoors in our courtyard amongst the colourful flower beds and the tranquility of our water fountain. Our gardens are popular with residents who enjoy tending flower beds or simply spending time outdoors admiring the water fountain and different varieties of plants. Sharing their cultural heritage is important to our residents, and meal times are sociable occasions with our chef cooking hearty, home-style meals.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
