

Welcome to **Somerville Gardens** Care Community

Discover why this could be your best move yet

At Somerville Gardens Care Community we encourage our residents to live a life of meaning and purpose – that's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our home is located in the picturesque Mornington region, just minutes from the stunning Peninsula beaches, local shops, public transport, and seaside villages, and ideally positioned for residents and families to maintain strong connections with the community. Our fragrant gardens are a delight to stroll around, spend time by the koi pond with family and friends, or enjoy quiet moments of reflection. With well-appointed internal living and dining areas, our home offers a warm and inviting environment with expert clinical and whole-of-person care.

Daily life

Residents look forward to our happy hour get-togethers, and our menfolk like to enjoy a beer and some friendly competition around the snooker table. Our beautiful Steinway baby grand piano is well-loved by our musical residents and our gardens are a haven for those who love to put their green thumbs to work.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in our home life – so you can enjoy your day, your way.
